8809 South 600 West  
Sandy, Utah 84070

Attn: Mr. Bruce Hansen

Dear Mr. Hansen;

Enclosed is the application which exempts you from filing a reclamation plan with the State of Utah.

It is our understanding that this exemption is issued because you will be mining less than 500 tons/year or in an area smaller than two (2) acres.

Sincerely yours,

*Garth C. Condie*
